Active Kids Rebate Program

Due to the Active Kids Rebate \$100 Voucher Program being offered by the NSW Office of Sport the Clubs committee have decided that registrations for 5 – 18 year olds will not open until the 31st January so the Clubs members are provided with the opportunity to take advantage of the \$100 rebate.

It is important that if you wish to claim the \$100 rebate against your child's football registration at SUFC that you read the information below as well as the information from the NSW Office of Sport in the link at the bottom of the page, register with Service NSW and obtain your Active Kids Voucher Code number in advance of starting the online football registration.

You can obtain your Active Kids Voucher Code number anytime now and have it on hand, however you cannot claim the \$100 rebate prior to the program going live on the 31st January 2018.

To start the process you need to either log into an existing Service NSW account or create a new Service NSW account. See link at the bottom of the page.

Once you have your 10 digit Active Kids Voucher Code number, and then only from the 31st January, you will be able to register your child for football at [MyFootball Club](#).

FNSW and MyFootball Club have worked together with Service NSW so you can automatically claim your \$100 Rebate on your child's registration through the online registration, but only if you have the 10 digit Voucher Code number. Its simple, once you have your 10 digit Active Kids Voucher Code number and go through the online football registration there will be a field for you to enter the 10 digit number. The registration fee you are then asked to pay will be the SUFC registration fee less the \$100 rebate. It is that simple.

Some tips

- If you also want to claim the family discount do not pay online, select 'pay at clubhouse' and print off the invoice that is emailed to you and bring it to the clubhouse so we can apply the family discount applicable to your families football registration numbers and take your payment
- You cannot claim a portion of the \$100 rebate or split it between sports. The \$100 must be claimed against one sport only and only for one registration
- If you do not have a 10 digit Active Kids Voucher Code number then you cannot get the \$100 rebate
- If you do not have a 10 digit Active Kids Voucher Code number you can still register for football at SUFC, however you will be charged the full registration fee and won't receive the \$100 rebate
- You **cannot** retrospectively claim the \$100 rebate after you register
- To be eligible for the \$100 rebate the child must be 4.5 - 18 years' old, enrolled in school from Kindergarten to Year 12, this includes those who are home-schooled or enrolled in secondary school education at TAFE NSW.
- The \$100 rebate vouchers cannot be claimed against until the 31st January
- The \$100 rebate vouchers cannot be used to claim against merchandise, boots, socks, etc. It is for registration fees only
