

Run Sheet for Junior Presentation Day: 9th October 2016.

All Players are required to arrive, 15mins prior to their Presentation time. This allows time to organise yourselves.

Coaches, Managers and Players are asked to muster in the area just beyond the Clubhouse, on the far side of the Netball Courts. Here you will be given further directions.

In the event of inclement weather, the Presentation will take place inside the Clubhouse.

Due to the ‘Carnival’ atmosphere, and the placement of rides, please arrive early as Parking is limited. We appreciate your co-operation in making this day a great Club Event!!

Home time!!

Timetable for Junior Presentation day Sunday 9th October 2016 jobs

To enable the smooth running of Presentation Day, we request your assistance in the following.

I have endeavoured not to give your Team a duty, if you have had 2 stints during the Season. Apologies if that is not the case.

In order to make this a festive celebration, we need your help.

The Club only works the way it does, because we have a group of Volunteers who give their time throughout the Season, and in the Off-Season.

Thankyou! Have an enjoyable day!

***** Please note where your teams have been listed, and nominate the number of people listed in brackets to fill the positions below. It will require a 1hr commitment from your team Volunteers, to fill the time slot.**
