It's Photo Time Again!

2017 Team Photos Information and Timetable (scroll down pages for timetable)

Hi Everyone,

Please read the below information so you are aware how team photos will be done this year.

Every effort has been made to try and schedule your Team Photo on the night you train, and around the time you train.

Unfortunately, due to the number of teams (88) in our blossoming club, some teams will find their times and/or day for photos is not when you train.

Please be patient as this is a fun, but challenging time. Given that this is a special year for all of us in the clubs 50th Season.

We are using the same photographer as last year, Supershots Sports Photography. Your Team Manager will give you information on Photo Packages available for purchase.

For the efficient running of the evening, please try to give your Manager the exact money prior to your photo time, or fill in the slip to pay by credit card. You can visit the photographer's website, however, There are no online payment options available.

Information for a successful photo:

Please arrive **15 minutes before** your scheduled time so that your team can organise themselves.

Please make sure you bring the official club jerseys that have been allocated to your team and that all players are wearing the **CLUB socks, CLUB shorts and your football boots**. Training shirts or other shirts are not to be worn for the photos, only the official playing shirts.

It would be appreciated if Coaches and Managers could please wear black pants and black shoes for the photos so the photos are consistent, look smart and are aligned to club colours. If you have on of the old black club polos please wear it. We will have some club jackets for Coaches and Managers to wear for the photos.

Managers – Team Envelopes are already available to collect from the clubhouse. Please take your team envelope and fill in the names of your team members on the sheet provided. This is important so the photographer has accurate spelling of names.

Next to your players names, please fill in the package they purchase, and enclose their money in the envelope.

Due to the size of our club, every effort has been made to accommodate everyone. However, we realise some of your times may not be aligned to training. However, we would very much appreciate everyone attending your team's photo so we have photos of all teams and players for this historic 50th Season of the Springwood United Football Club.

Thank You all for your co-operation.

We look forward to seeing you all 'dressed and pressed' with a rosey smile.

If you have any queries, please either ask your team Manager or message me.
