This policy is in place to ensure that Springwood United Football Club (SUFC) is compliant with Blue Mountains City Council (BMCC) non-smoking policy at sporting fields.

The BMCC non-smoking policy states that in the Blue Mountains area, smoking is banned on all areas of a venue except car parks.

The SUFC policy is that no smoking is permitted on any of the playing fields and their surrounding areas of Summerhayes Park. Nor is smoking permitted in or around the areas of the Canteen, Change rooms, Toilets, Clubhouse and Netball courts.

The SUFC Non Smoking policy is effective and will be enforced for the entire day and night that any scheduled training or game(s) are held at Summerhayes Park. This policy covers any training or game(s) for Football (Soccer), Netball and General Sports.

The Car Park of Summerhayes Park is however a designated Smoking area.
