This policy is in place to enforce no training in the goalmouths of Fields 1, 2 & 3 of Summerhayes Park for the purpose of maintaining the condition of the goalmouth area. This policy applies to all teams at all times during both scheduled and non scheduled training sessions.

It is the decision of the SUFC Board to impose a two week training ban on any field at Summerhayes Park to any team seen to be training in the goal mouths.

Graeme Ellis  
HR Director  
SUFC
