[Click here to either Log Into your existing Service NSW Account or create a new Service NSW Account](#)

[Information on Active Kids Rebate Program link to NSW Office of Sport website](#)

Once you have your 10-digit Active Kids Voucher Code number you will be able to claim your registration discount <http://www.playfootball.com.au/>.

FNSW and [PlayFootball](#) have worked together with Service NSW so you can automatically claim your \$100 Rebate on your child's registration through the online registration, **but only if you have the 10-digit Voucher Code number.**

General tips for Registration

- If you are required to attend the clubhouse to finalise your registration, ensure that you complete the online process at home prior attending.
- If you also want to claim the family discount do not pay online, select 'submit and pay later' and print off the invoice emailed to you. Bring the invoice to the clubhouse so we can apply the relevant discount applicable to your family's football registration numbers and take your payment.
- You cannot claim a portion of the \$100 rebate or split in between sports. The \$100 must be claimed against one sport only and only for one registration
- If you do not have a 10-digit Active Kids Voucher Code number you can still register for football at SUFC. However, you will be charged the full registration fee and won't receive the \$100 rebate
- You **cannot** retrospectively claim the \$100 rebate.
- The \$100 rebate vouchers cannot be used to claim against merchandise, boots, socks, etc. It is for registration fees only.
